#### d) Registration:

i) All cars must be present and ready for tech inspection no later than 9:00 AM

ii) Spectators are welcome! There is no entry fee for spectators; however, for liability issues, they must sign the waiver and wear the wristband.

#### e) Run Groups:

i) The event will run the classes as designated by the CRS rulebook.

ii) Run groups: We will run SS 2/4 first, SM 2/4 second and Rally 2/4 last. Each competitor will get 4 total runs (5 or 6 runs will happen if we have the time)

iii) This is a work/run event!! If you do not work, the rally gods will frown upon you and you will have a really bad day of racing. You will blow a bead and shred a tire and not be able to drive home. So just step up and work and everything will be fine.

### 2) Promoters/Insurance

#### a) Sanction

- i) The event is being sanctioned by NASA .
  - ii) The event will count for points towards the FormulaRallyX Championship and the CRS RallyX Championship
  - iii) All items not covered here can be reviewed on FormulaRallyX.com and in the CRS rulebooks.
- b) Promoters/Organizers
- i) The event is being promoted by Dave Haws, Louie Minette, Tam Su and Mike Malsed.
  - ii) Neither promoter will be involved in the draw or make any decision regarding the classes in which they compete.
- c) Protests
- i) Protests may be made to Dave Haws or Louie Minette immediately - waiting will have an adverse effect on your protest.
  - ii) All decisions made are FINAL
- d) Event Specifics
- i) Cones:
    - (1) Each cone hit will be worth 2 seconds
    - (2) Pointer Cones do NOT count
    - (3) Missing a 'gate' or failing to follow the course will result in the run being scored an "OC" or Off Course. An OC will be scored as the worst time in your class (for that run) plus ten seconds.
    - (5) A DNF for completely failing to finish a run for an issue such as mechanical trouble be scored as the worst time in your class (for that run) plus 10 seconds.
    - (6) A DNS (Did Not Start) will result in a "DNF" for the event (you will receive no time) - at the organizer's discretion some leeway may be allowed.
  - ii) Multi-driver Vehicles
    - (1) No more than THREE drivers per car will be allowed.
    - (2) None of the other drivers may ride as a passenger on any competition run.
    - (3) Multi-driver cars will stage in their own lane and will be shuffled in as staging personnel determine.
    - (4) Drivers will rotate each run - NO driver will run more than one run consecutively.
  - iii) Start Order
    - (1) This is a "dueling" course set up. All cars will stage in the grid area and be assigned to race by the grid steward.
    - (2) You will grid up, race and when you are done, get off the course as quickly and safely as possible so we can maximize our runs.
- iv) Timing
- (1) A Jump Start (leaving the start before the starter raises the flag) will be penalized 10 seconds.
- v) Course
- (1) Any changes due to safety concerns, ruts, watering, etc. will be considered a "force majeure."
